

PRESS RELEASE

NSM Insurance Group Professional Liability Program goes live on Epic-Premier's ConceptOne™ Policy Administration System

Lakeland, FL – February 10, 2014. Epic-Premier Insurance Solutions, Inc., a leading technology and consulting solution provider to the insurance marketplace is pleased to announce another successful implementation of ConceptOne™. NSM Insurance Group, a national market leader in the development and distribution of industry specific insurance programs and wholesale distribution; has transitioned their Lawyer and Dentist Professional Liability program (AFPD) to the ConceptOne platform. AFPD is the leading Program Administrator for lawyers Professional Liability in the US. The AFPD program will utilize a broad extent of ConceptOne's functionality and Policy Administration, including Integrated Spreadsheet Rating for both their admitted and non-admitted markets; ConceptOne's Market Submission Wizard; full Accounting processes; and Carrier Direct Billing capabilities. NSM Insurance Group is also utilizing ConceptOne's Software Developer Kit (SDK) XML based tools to import Claims from a TPA. A key reason NSM Insurance Group chose Epic-Premier's ConceptOne enterprise management solution was to capitalize on the efficiencies gained by simplifying data entry, data management, and data reporting for policy, claims, and accounting onto a single platform.

ConceptOne provides a single-entry, fully integrated Policy, Accounting, Claims, and Document management solution specially designed for the MGA/MGU, Program Administrator, Wholesale Broker, and Specialty Carrier marketplace. ConceptOne is flexible enough to manage both up and down stream insurance business in the admitted and non-admitted E&S markets.
